

2nd International Heidelberg Engineering Academy

— Masterclass —

Saturday, September 22nd 2018, EURETINA, Vienna

OCT Angiography – Technology Matching Pathology

Programme

6:00 pm

Reception and bowl food

6:45 – 6:50 pm

Welcome

Christopher Mody, Director of Clinical Affairs,
Heidelberg Engineering, UK

6:50 – 7:00 pm

Future innovations in imaging

Christopher Mody, Director of Clinical Affairs,
Heidelberg Engineering, UK

7:00 – 7:15 pm

OCTA, B, C – When do you (really) need OCTA?

Roberto Gallego-Pinazo, Oftalvist, Consultant
Ophthalmologist, Spain

7:15 – 7:30 pm

How to interpret OCTA – Practical tips for clinical use

Richard Gale, Consultant Ophthalmologist, York Teaching
Hospitals NHS Foundation Trust, UK

7:30 – 7:45 pm

OCTA in DME – What is the potential?

Ian Pearce, Consultant Ophthalmologist, Royal Liverpool
University Hospital, UK

7:45 – 8:00 pm

OCTA – Role in diagnosis and management of neovascular AMD

Konstantinos Balaskas, Consultant Ophthalmologist,
Moorfields Eye Hospital, UK

8:00 pm

Close

Roberto Gallego-Pinazo

Richard Gale

Ian Pearce

Konstantinos Balaskas

2nd International Heidelberg Engineering Academy

— Masterclass —

Saturday, September 22nd 2018, EURETINA, Vienna

Venue

Hilton Vienna Danube Waterfront, Handelskai 269, 1020 Vienna

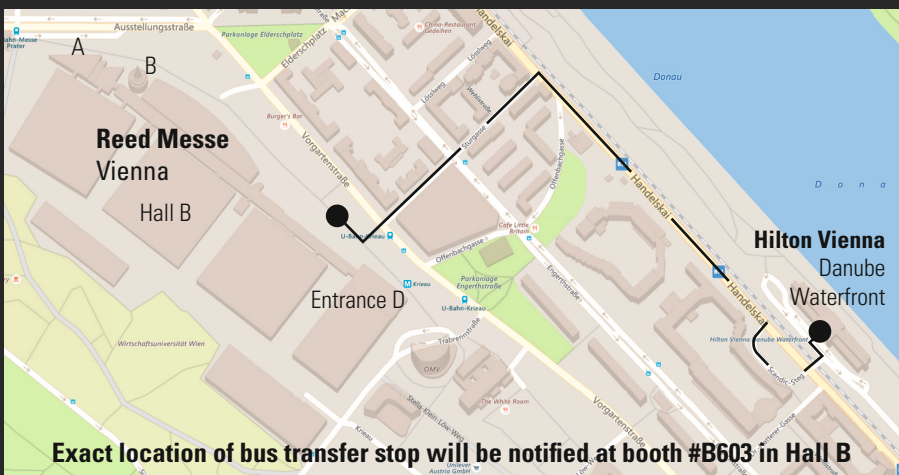

Registration & Tickets

Please **register** online under www.he-lounge.com/masterclass and **collect your personal ticket** at the Heidelberg Engineering booth #B603 at the EURETINA Congress.

Bus Transfer

The Hilton Vienna Danube Waterfront can be reached via **free bus transfer** (departing 5:45 and 6:00 p.m., exact bus stop will be notified at the booth), by subway station „Stadion“ or on foot (approx. 15 minutes from Reed Messe, Exhibition and Congress Center).
